Attention Certificate of Corrections Branch

P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 35 U.S.C. § 254 and 37 C.F.R. § 1.322, patentees and patentees' assignee hereby request that the U.S. Patent and Trademark Office ("PTO") issue a certificate of correction (in the form enclosed) for the above-identified patent. A certificate of correction is needed, because the above-identified patent contains an error in the inventor data that is the fault of the PTO and is appropriate for correction under 35 U.S.C. § 254.

In particular, there is an error in the city data of the fifth inventor. The data for the fifth inventor is listed "Eric M. Stimson, North Tonawanda, NY" but should be "Eric M. Stimson, Kenmore, NY." The city of the fifth inventor is correct on the June 22, 2004, Filing Receipt and on the Issue Notification.

Since this error was the fault of the PTO, patentees submit that no fee is owed. However, if patentees are obligated to pay a fee, please charge such fee to Deposit Account No. 14-1138.

In view of the foregoing, patentees and patentees' assignee respectfully request that the PTO issue the attached Certificate of Correction for the above-identified patent.

Respectfully submitted,

/Andrew K. Gonsalves, Reg. No. 48,145/
